Who are we?

Parkland Pool is a local pool in Silver Spring, MD tucked away north of University Avenue near Sligo Creek Parkway. We have a growing membership with 300 households, and a majority of these households are families with children. We believe in equity and have offered the lowest rates around the area and even offer options for community members who cannot fully afford membership. We also subsidize families with children who want to participate in the swim team so that money is not a barrier to a child's athletic aspirations. Learn more about our swim team at <https://www.parklandpool.org/swim-team.html>.
